

EMAD ANES MEAKHEAL BOLES

INTERNATIONAL COMMERCIAL & PROJECT MANAGEMENT PROFESSIONAL

Kuwait | Egyptian National | Open to Relocation | emad.anes.boles@gmail.com | +965 677 11 929

PROFESSIONAL PROFILE

Commercial and project management professional with 20+ years of cross-sector experience across Kuwait, the UAE and Egypt. Experienced in coordinating international commercial opportunities, government tenders, supplier and partner relationships, contract negotiation, cross-functional execution and end-to-end delivery. Proven ability to work with senior stakeholders, translate business requirements into coordinated action, manage multiple priorities and drive commercial activities from initial opportunity through negotiation, approval, logistics and delivery. Current defense and security experience adds disciplined procurement, compliance and project ownership to a broader international business and management foundation.

CORE CAPABILITIES

Commercial Project Coordination | International & Cross-Functional Projects | Tender Processes & Commercial Proposals | Contract Negotiation & Follow-Up | Stakeholder & Partner Management | Commercial Agreements | Supplier / Partner Development | Government Procurement & Tenders | Senior Management Coordination | Microsoft Office & Digital Workflow

PROFESSIONAL EXPERIENCE

United Gulf Enterprises General Trading & Contracting Co. W.L.L. (UGETCO), Kuwait

Commercial Director - Defense & Security | Dec 2024 - Present

- Lead commercial coordination for government opportunities, translating tender requirements into structured technical-commercial actions with international suppliers and internal stakeholders.
- Manage the full opportunity and delivery cycle from requirement analysis and supplier identification through proposal coordination, negotiation, submission, award follow-up, logistics, customs clearance and final delivery.
- Support tender processes and commercial proposals, ensuring pricing, validity, delivery, warranty, samples, training and logistics are aligned with customer requirements and execution risk.
- Prepare, negotiate and follow up commercial terms with manufacturers and partners across Europe, Asia and the Middle East.
- Coordinate executive management, finance, operational stakeholders and external partners through approvals, bid execution and delivery milestones.
- Track critical project stages, resolve commercial and logistical issues, and maintain accountability across multiple concurrent priorities.

Allianz Egypt, Egypt

Sales & Insurance Consultant / Team Leadership | 2016 - 2020

- Built consultative client relationships around financial and insurance needs, combining needs-based selling with long-term account development.
- Supervised a team of 18 and supported performance, client engagement and sales execution.
- Received performance recognition including an incentive trip to Brazil in an international corporate environment.

Al Zummorda Jewelry, Kuwait / UAE

Sales Manager -> Office Manager to CEO | 2006 - 2016

- Progressed from sales leadership into executive office management with responsibility across sales, procurement, administration and Kuwait-UAE branch coordination.
- Managed a team of 44 and worked directly with the CEO and senior management on commercial and operational priorities.
- Coordinated cross-border activities between Kuwait and the UAE, travelled regularly to Dubai and participated in international exhibitions in Hong Kong, Malaysia and Singapore.
- Supported the purchase, establishment and licensing of the Dubai office as a Kuwait branch, improving inter-branch transfer and customs efficiency.
- Developed suppliers, negotiated commercial arrangements and coordinated international business activities and operational follow-up.
